Sub:- stitching work of uniforms supplied to group 'D' employees in the state.

ref:- Circular NO.FD 1 TCE 81, dated 3.3.1982.

--: oOo:--

In the Circular dated 3.3.1982 all Heads of Departments were requested to entrust the stitching work of uniforms of Class-IV employees including the drivers of the departments to the tailoring production units of social welfare department (now the department of SC and ST welfare) in accordance with the provisions of note below sub-rule '1) of Appendix-IV of M.C.E. 1958.

2. It has been brought to the notice of the Government that tailoring production units of the Department of Scheduled caste and scheduled tribe welfare do not exist in all the districts and that the Departments are finding it difficult to get the uniforms stitched in respect of the group-D employees and drivers from the tailoring production units situated at far - off places. It will not therefore be possible to enforce the present rule that the uniforms shall be entrusted only to the tailoring production units of SC and ST Welfare Department.

3. Taking all aspects into consideration and with a view to minimise the difficulties experienced by the offices of the state government, it is hereby directed that all heads of departments shall entrust the stitching work of uniforms of Group 'D' employees and drivers of their departments to the tailoring production units of the scheduled caste and scheduled tribe welfare Department, wherever they exist. In places where there are no such tailoring production units the Government Departments may get the uniforms stitched through local tailors after calling for quotations and accepting the lowest rates.
